2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

The institution has introduced a mentor-mentee system after the first cycle of the assessment and accreditation by the NAAC and effectively implemented it for the benefit of the students. Through this system, student can easily approach to their mentor or mentee and maintain better and effective relationship between teacher and student. All the teachers work as mentors for the students allotted to them. The students must feel free when they are communicating with their mentors. It is a continuous process till the end of an academic year of the student. The aims of the mentor mentee system are: 1) To enhance a teacher-student relationship 2) To improve students' academic performance and attendance. 3) To minimize the student dropout ratio. 4) To monitor the students regularity and discipline. 5) To enable the parents to know about the performance of frequency of their wards. The IQAC has taken the initiative to implement the mentor-mentee system, and the students are allotted to the mentors based on their stream and their core subjects. Each mentor has allocated a group of 30 to 40 students, and they have maintained updated information of each mentee and provide guidance, counseling, and solve their problems whenever required. The mentor has observed that a student's performance is not up-to-the-mark or low performance in this case, the mentor takes the necessary steps and tries to improve their performance in the upcoming examination or activities. Due to this mechanism, the teacher and student relationship significantly improve. The functions of the Mentor-Mentee System done during the academic year: 1. Guidance: The mentor-mentee mechanism guides the students regarding selecting the optional subjects, offering add-on-courses, remedial coaching, and special classes to the advanced learners. 2. Career Counseling: The mentor-mentee mechanism provides career guidance for self employment, entrepreneurship development, participation in NSS, and co-curricular and extra-curricular activities, sports, and cultural activities arranged by the college throughout the academic year. 3. Regular Attendance: The mentor-mentee mechanism provides proper guidance about college attendance and a continuous internal evaluation process.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The Department also measures the academic progress of the students through presentation (PPT), group discussions, home assignments, project making, and class tests. Evaluation and result analysis helps teachers to analyze student progress in specific subject. Parents Teachers meet help us convey these progresses of pupil. Academic feedback system helps us determine the acceptability of syllabus to students. Students are informed in advance for internal assessment patterns like written examination, assignments, seminar and group discussion. The departments display time table for the same on notice boards time to time. Teacher guide students to implement writing skill in answer sheet by adding neat, labeled diagrams. Students are free to ask their queries regarding assessment done and discuss difficulties they face during study.. Departments inform students attendance and academic performance regularly by arranging personal meet with students and their parents. Internal assessment, or curriculum embedded assessment, evaluates what students do when they are in the classroom. Internal assessment serves as basis for conceptual development. Individual departments implement strategy as per the convenience. As a part of university curriculum, the project work of 100 marks last seminars of B.A.T.Y. is made compulsory for all humanities subjects. The students select topic in consultation with the concern teachers and submit it to the department. All these projects are assigned by external examiner and give marks as per the quality content. The project work helps students to inculcate research attitude among them.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The grievances of students regarding the assessment and evaluation process are resolved in steps, first at the institute level and then at University level depending upon the nature and intensity of the grievances. The Controller of examination in consultation with principal resolves it and the responsibility. In case of evaluation, students are allowed to ask for photo copies of answer sheets on the fixed payment prescribed by affiliating University. The students are also allowed to ask for revaluation of answer sheets within fifteen days after the declaration of result. For the University coursers the same mechanism is in practice. There are many grievances related to examination form filling at University Online Form Filling Portal. All these issues are resolved with communications with University authorities e-mail The grievances of malpractices from students at the examination hall are forwarded to higher authorities for further actions. The grievances and queries related to the college faculties are resolved at department level. The issues related to the examination and results are resolved in time. The faculties also resolve some of the minor cases when students come to the respective faculties with the grievances regarding evaluation. The faculties have to show evaluated internal examination answer papers to the students in order to make the examination and the evaluation system transparent. At the institute level a committee is setup to solve the problems faced by the students in the university examination. In

this committee C.S. of that year, understudy, clerks, invigilators and supporting staff are appointed. It helps in conducting examination conveniently and easily. This committee is student centric and ensure to solve all the problems of students.
