CURRICULAR ASPECTS**1.1 - Curricular Planning and Implementation**

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The Institution ensures effective curriculum delivery through a well planned and documented process. The college is affiliated with Dr. Babasaheb Ambedkar Marathwada University, Aurangabad. The affiliating University has prescribes the curricula of all the programs taught in the college. The University will be revises the curricula frequently as per the needs of society, industry and needs of the learners.

The college has a role in teaching all programs effectively, completing curricula on time, appointing subject teachers as per the workload, and providing equipment, instruments, apparatus, chemicals, ICT tools, and books.

The college prepares academic calendar, teaching Dairy, plan of lectures, examination schedules, field visits, tours, industrial visits, and project report schedules before the commencement of the teaching schedules with the help of various committees constituted for the fulfillment of academic purposes.

The teachers prepare a teaching plan (Annual Plans) for the whole academic year in consult with the Principal and University directives. Syllabus is completed within the stipulated time. During the teaching sessions, the students are taught and prepared for the University semester exams as per the Schedule prescribed by the university.

The college organizes seminars, conferences, workshops on the current issues for the benefit of the students and for strengthening the teaching-learning process of the college.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Academic calendar is released by Parent University and is to be followed in totality by the College. The college prepares its own calendar. Detailed schedule with dates is given in the academic calendar. University examination and internal examination is mentioned in the academic calendar. Students prepare for this examination accordingly. Each member of the staff and student community receive a copy of the college calendar to enable them to plan for activities. The teachers of the college prepare their teaching plan according to the academic calendar of Parent University and the college. Every teacher draws his/her teaching plan, broadly taking into consideration, the ability of students. These plans are reviewed and rechecked, if needed. The academic calendar and individual teaching plans are meant for broad reference. The teachers also conduct extra classes during the off period.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The college is affiliated to Dr. Babasaheb Ambedkar University; Aurangabad. It follows the curriculum prescribed by the affiliating university. The university tries to integrate the issues relevant to gender, environment and sustainability, human values and professional ethics in its curriculum. The college offers Marathi, Hindi, English subjects from languages. Study of literature in languages like Marathi, Hindi, and English incorporates moral and ethical knowledge. The study of literature makes students morally strong and compassionate towards other fellow beings. The subjects like Home Science, Physical Education, Environmental studies expose the learners to the gender sensibilities and environmental awareness. The subjects like Environmental Studies, Geography and the celebration of Vasundhara Day, National Agricultural Day integrate the issues and significance of environmental issues. The professional efficiencies and ethics are integrated among the students with the special speeches organized on the occasions of birth and death anniversaries of national, state and local figures, national festivals and sensitized functions. The celebration of the university foundation day, the university name extension day, the national education day, and national reading inspiration day inculcate the professional ethics and commitment among the teachers and the students. The teachers and students are encouraged to attend the seminar/workshops addressing these values organized in the college and outside college. The students are encouraged to participate in the curricular, co-curricular and extension activities organized by the college and other colleges.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The college is situated in rural area. Most of the students come from poor background. Student's family background affects their learning level and competencies. Particularly different kind of competencies which includes language proficiency and communication competency is identified and it is seen that student are weak in their language proficiency, communication, computer confidence level etc. When actual classes begin teachers identify slow learners and advanced learners after assessing their language proficiency regularly in the class through participation is various departmental activity. Even teacher of the college has to understand students learning issues and assist them in their learning. In case of slow learners, the teacher encourages to the students to ask their difficulty and teachers solve those difficulties. Teacher provides them learning assistance by way of guiding them on various issues and providing study material. In case of advanced learners teachers assist them to know advanced study material in the respective subject. Advanced learners are encourages to participate in various seminar, conferences, activities related to curriculum.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

In student centric teaching learning process student is at centre place. In the entire teaching- learning process, an attempt is students centric with the inclusion of in class seminars, group-discussion, test-tutorials and other co curricular as well as extracurricular activities. They write their own article in college magazine "Yuvaspandan". N.S.S Unit organizes one day camps and special camp to increase awareness of students regarding social issues and extension activities. A library, computer lab, science lab, smart boards, and ICT based teaching help to enrich student's academic competencies. Project Works, Study tours and field visits give actual practical knowledge to the students. Students Council plays an important role in problem solving. Students representative are appointed on IQAC, CDC and other college committees. Practicals of science department are conducted through experimental learning and History department organizes study tour. Student centric activities are conducted promoted during teaching. Students and parent's feedback also help us for introspection and better methodology. Learning experience of students shared in student meet help us to mould or teaching mode. Teaching - learning process is monitored by IQAC and principal. Students performance good is participative learning are acknowledged and appreciated, so as to increase student active participation.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The college has ICT facilities. The teachers prepare the PPT presentations of their subjects. The teacher make use of ICT tools in teaching leanings process. It makes teaching learning process more effective and helps student to understand the things in better way. Important educational clips are posted in the groups for the benefits of students. This makes the process of teaching and learning more effective. The teachers are always encourages to use YouTube and download e-contents relevant to their subjects. Group-Discussion and seminars also promote question asking from students.

To increase student's knowledge, to download E- books, study material, various links are given to students. Teachers make their own video lectures and upload on you tube for easy access to students so that they can use it for their study anytime anywhere. Sometimes teachers use this method to engage more number of students for practical and participative learning. As on today we have sufficient computer lab, office, departments, library, IQAC and principal cabin, 1 wall mounted and 1 portable projector.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The Department measures the academic progress of the students through internal evaluation. Power Point Presentation (PPT), group discussions, home assignments, project making, and class tests are conducted. Evaluation and result analysis helps teachers to analyze student progress in specific subject. Students are informed in advance for internal assessment patterns like written examination, assignments, and seminar and group discussion. The departments display time table for the same on notice boards time to time. Internal assessment, or curriculum embedded assessment, evaluates what students do when they are in the classroom. Internal assessment

serves as basis for conceptual development. Individual departments implement strategy as per the schedule. As a part of university curriculum, the project work of B.A.T.Y. is made compulsory for all humanities subjects. The students select topic in consultation with the concern teacher and submit it to the department. All these projects are assessed by university external examiner and give marks as per the quality content. The project work helps students to inculcate research attitude among them. Internal assessment mechanism is robust and the college ensures transparency in the assessment.

File Description	Documents
Any additional information	View File
Link for additional information	Nil

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The grievances of students regarding the assessment and evaluation process are resolved in steps, first at the institute level and then at University level depending upon the nature and intensity of the grievances. The Controller of examination in consultation with principal resolves it and the responsibility. In case of evaluation, students are allowed to ask for photo copies of answer sheets on the fixed payment prescribed by affiliating University. The students are also allowed to ask for revaluation of answer sheets within fifteen days after the declaration of result. For the University courses the same mechanism is in practice. There are many grievances related to examination form filling at University Online Form Filling Portal. All these issues are resolved with communications with University authorities' e-mail. The grievances and queries related to the college faculties are resolved at department level. The issues related to the examination and results are resolved in time.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

The programmes offered by the institution are well organized and the outcomes are defined as the ability of the students to do the things they are taught during their learning experience. All the programmes are student centered and these programmes help the students to become them self-reliant and able to do the various tasks they want to do. The learning outcomes can be measured on smaller scales through the class test performance, class-seminars, and class-room performances of the students. Learning outcomes are what the students expect from their curriculum

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The attainment of programme outcomes and course outcomes are evaluated by the institution at the end of the course. The performances of the students at the course end examination show the level of attainment of programme outcomes, programme specific outcome and course outcomes. The university examination and the internal evaluation systems are the methods of measuring attainment. The internal evaluating method is very useful to find out the students' progression and their level of attainment of POs, PSOs and Cos. Tests, class room seminars, various competitions are the various means used by the institution to measure the level of attainment of POs, PSOs and Cos.

3.3 - Extension Activities

3.3.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year. The institute believes in promoting institute-neighborhood community to create awareness in students towards community needs, for this college actively organizes many extension activities. The students of our college participate actively in social service activities leading to their overall development. Through this unit, the college undertakes various extension activities in the neighborhood community. NSS unit of our college has adopted nearby village Bangarwadi and organizes a residential seven day camp there and several other activities.

NSS camp is carried out by NSS volunteers addressing social issues which include cleanliness, tree plantation, water conservation, shramdan, social interaction, group discussion, eradication of superstition, environmental awareness, women empowerment, National Integrity, Aids awareness etc. Apart from NSS unit, cultural department and other departments of the college individually abide by its responsibilities for shaping our students into a responsible citizen of the country. Faculties are fully concentrated on making our students aware of social issues by organizing various programs like Environmental Awareness, Personal Health and Hygiene, Diet awareness, Road Safety, Tree Plantation, Plastic eradication, Voters awareness etc.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Vision :

" Vidya-Amrutam- Ashnute" is the motto of the institution. The institution aims at eliminating darkness, ignorance, slavery and superstition through education and imbibe scientific attitude and enable students in knowledge, moral in behavior, strong and free from fear, committed to imparting education and social justice and contributing in nation building.

Mission:

To impart education to rural area and under privileged section of society and to strengthen all round regional development and enable students to enlighten one's life as well as social and national life.

Motto:

" Vidya-Amrutam- Ashnute"

The college is committed to impart higher education to the students who reside in rural area. The college conducts curricular, co-curricular as well as extracurricular activities to achieve its vision and mission. CDC is an apex body. It takes appropriate decisions about necessary funds, needs, educational aids, laboratory equipments, recruitment of employees as well as their welfare policies. Teachers participate sincerely in every co-curricular activity and play vital contribution in decision making. As an institutional head the principal constituted various committees to carry out smooth academic functioning. Internal Quality Assurance Cell (IQAC) performs its functions to enhance the quality of the curricular, co-curricular and extracurricular activities.

File Description	Documents

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Two practices of decentralization and participative management are as follows:

1. Academic work is supervised under the observation of IQAC. The co- coordinator of IQAC keeps the regular follow up of various committees. Also he visits various department of the College for its overall work. To check the daily teaching diaries by the Principal.
2. The administrative work is supervised by Office Superintendent (O.S.). All work is done through various windows i.e. admission fees, examination fees bonafide - leaving certificate, scholarship, various type of payment, funding from UGC, etc. Daily fees report is generated by non- teaching staff and submitted to Principal by through office superintendent daily. Principal remarks the recommendation, whereas necessary. Every employee who is working in which especially window to be changed every year. So ultimately every employee of the non-teaching staff must know the work of all windows. Any time employee's window can be changed in emergency. For the facility of the students at every place sinning boards have been directed properly. Students find it easy to contact proper person for his / her work. Students also use of suggestion box as well as they have also contact

the students representative to make their complaints.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

IQAC of the college takes an initiative in quality improvement. It takes an initiative in conducting various program.

Improvement in research:

IQAC plays significant role to create good environment for research in college. From 2016-17 to this year many departments in college organized seminars, conference and workshops at state level. It happened because of consistent Endeavour's of IQAC. In this regarding, remarkable thing is that college organized some such programs. IQAC helps teacher in many way to get recognition as a Ph.D. guide. As a result of this, 05 Ph.D. guides of Arts faculty are here in our college today.

Also to maintain the quality, IQAC gave the importance to following measures:

1. Academic and administrative audit.
2. Green audit.
3. Energy audit.
4. Environment audit.
5. ISO.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Considering our social milieu, it is very necessary to emphasize on gender issues. The college take initiative to conduct programme on gender issues. Gender equity and sensitization topics are included in the university curriculum as in the syllabus of literatures of Marathi, Hindi and English comprises gender issues which help students to understand it in better way. Besides this, subject like Sociology, Political Science, and Public Administrative has many topics which light on gender issues.

The college appoint female teacher staff on various committees to provide them proper representation. Female teachers work on various committees. Female teacher is are chairman of Vishakaha Committee which looks into gender discrimination issues. Likewise, girl students have representation on various bodies as NNS, Student Council, and Cultural Department etc. To address gender issues, the college organized various activities like International Women's Day, Savitribai Phule birth anniversary is celebrated to inculcate importance of education, Successful women employees are invited in the college to share their experiences and motivate girls' students for taking higher education.

Apart from this, the college publishes annual magazine 'Yuvaspandan' for the providing platform to female students to express their views. Female students are motivated to write in the magazine.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The college encourages students to participate in different interdepartmental programs within the college, inter collegiate

events organized by other colleges, universities and other government or non-government organization to make them sensitized towards cultural regional, linguistic, communal and socio economic diversities.

Students of all categories are given admission in the college as per the reservation policy of the Government of Maharashtra. Analysis of statistics of every year's admissions and participation of students in extra-curricular activities such as NSS and cultural programmes shows that gender ratio and communal socio-economic diversity is maintained in the institution. The college also tries to preserve linguistic diversity in the society by celebrating the Marathi Day, the Hindi Day and the English Day every year.

The college organizes various programs to ensure harmony among the students by making awareness about the visit to the slum area, social-economic village survey, blood donation camp, and human dignity

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

Celebration of Constitution Day:

Constitution Day is celebrated in the college on 26th November every year to commemorate India's adoption of the constitution. Preamble reading takes place followed by lectures on the sensitization of the students on responsibility towards the constitutional values, rights, duties, and responsibilities of citizens. A common oath is taken on the Constitution Day.

Celebration National Consumers Day

National Consumer Day is celebrated every year on December 24 in college by organization of guest lectures. The activities like Voters rally, Ekta Daud (Run for Unity), Road shows are organized accordingly.

Celebration of National Days:

The college celebrates Republic Day, Independence Day, Maharashtra Foundation Day, and University Foundation Day.

Cleanliness and Plantation drives:

The students participate in the cleanliness and plantation drives.

Induction of values among the students:

The students are made aware of the code of ethics, human values, rights, duties, and responsibilities as citizens of India during induction and other programs throughout the year.

Rights, responsibilities and duties are communicated to the students and all stake holders through the brochure and wall papers displayed at various places in college. Dept of Political Science and Public Administration organize student seminars and group discussion to know responsibility.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

1. Title of the Practice:

Green Initiative program on the college campus

2. Objectives of the Practice:

- 1) To balance environment by making campus green
- 2) To increase resilience of eco system
- 3) Help to minimize climate change effect as a small effort
- 4) To reduce pollution in the year and conserve vegetation

3. The Context:

To save environment for future generations is important. Trees are an important element of nature. The tree keeps the atmosphere cool, pollution is reduced, soil and water are conserved, birds and animals are also benefited and therefore considering all such benefits the college has deliberately chosen this practice on the college campus.

4) The Practice:

With the help of NSS department, teachers and students of the college takes imitative in planting saplings. Saplings are collected and planted at the decided place. After planting it care is to water it properly to save them.

5) Evidence of Success:

490 trees have been planted in the college premises during the period 2014-2015 to 2021-2022. All plants are alive.

6) Problems Encountered and Resources Required:

The college falls in drought prone area. During the period, we encountered water scarcity but the college supplied water through tankers.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

In Marathwada region, Beed district and Patoda taluka is a known as drought prone area, farmers has to face the drought situation every year, where there is a scarcity of drinking water, no question arises of water to crops, cattle and cattle feed. Villagers have no other option but migration for livelihood. 80 % of the villagers go for sugar cane cutting as a labor to sugar factories. As a result, students were irregular to college. Mentors on inquiry learnt the issues of migration of families affecting regular attendance in classes. The management, Principal, IQAC Coordinator, NSS Program Officer and Staff decided to adopt villages facing severe drought situations and to implement water harvesting policies.

National Service Scheme (NSS) unit of college is very strong. Through NSS we adopt villages in the surrounding for three years. In beginning of every academic year, the Management, Principal, IQAC Coordinator, Chairmen of Committees decide and fix the village which can be adopted. The principal of the college collects and analyzes the student and village wise data to underline the names of the surrounding village and the student flow. Accordingly villages are adopted priority wise.
